BIOGRAPHY: THE SOUND OF POLLENGERS

Pollengers is an Assam-based quartet formed in 2015 by founder John Phukan. The band plays music that is primarily based on the dynamic and groove-heavy genres of blues, funk, and hard rock, covering both originals and classics.

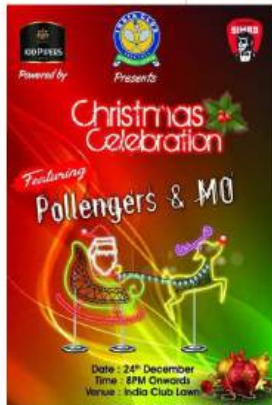

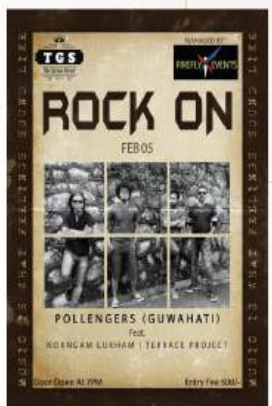

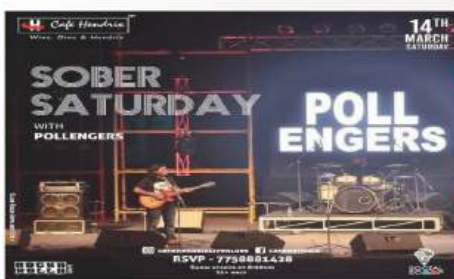

Their diverse repertoire includes covers by giants like Johnny Lang, Buddy Guy, Eric Clapton, Deep Purple, ZZ Top, Neil Young, and The Beatles, balanced with powerful originals. Pollengers' signature sound is characterized by face-melting solos and heart-pounding rhythms, making every show an unforgettable experience.
